Experience

Frontend Developer and UX/UI Designer Internship
Breda, Netherlands

Jamezz B.V
04/09/2023 – 26/01/2024

Achievements/Tasks

- Developed and implemented a bar dashboard for restaurant and hotel operators, streamlining error handling, management, and control in daily operations.
- Conducted research, created designs, developed prototypes, and implemented front-end solutions to bring the dashboard to life.
- Enhanced UX/UI of existing products, including redesigning and implementing baskets in the kiosk application for a better user experience.
- Designed and implemented discount cards for the Bavarian Village in London's kiosk applications, contributing to a cohesive brand experience.

University Project in Collaboration with Livewall
Tilburg, Netherlands

Livewall
01/09/2022 – 16/09/2022

Achievements/Tasks

- Led UX design for an engaging job application platform for LiveWall, focusing on creating an intuitive and user-friendly interface.
- Oversaw the implementation of an advanced matching algorithm, ensuring efficient pairing of applicants with suitable job positions.
- Collaborated with the team to meet client objectives and deliver a high-quality platform.

University Project in Collaboration with Fontys Lectorate

Fontys Lectorate
01/03/2024 – 26/07/2024

Achievements/Tasks

- Designed and developed an interactive form to replace traditional surveys for hospitals in the Benelux area, enhancing engagement and response rates.
- Transformed survey responses into artistic visualizations, aimed at improving the well-being of hospital workers.
- Implemented innovative solutions to create a more engaging and supportive environment for hospital staff.

About Me

I am a dedicated and versatile professional with a strong foundation in UX/UI design, frontend development, and customer service. As a student pursuing a degree in Information and Communication Technology, I have successfully applied my skills in real-world projects, such as developing interactive platforms and enhancing user experiences. My background in logistics, retail, and customer service has equipped me with excellent problem-solving abilities, attention to detail, and a customer-centric mindset. Whether leading a team, designing intuitive interfaces, or ensuring operational efficiency, I thrive in dynamic environments and am committed to delivering high-quality results. I am eager to leverage my diverse skill set to contribute to a forward-thinking organization.
